3. PHOTOGRAPHY/VIDEO/MEDIA RELEASE

During the school year, schools will have events the news media and the district may want to feature. A representative may be on campus to gather photographs and/or video footage.

In addition, parents and students may take photos of events in classrooms or around schools. These photos may be posted on the Internet or otherwise distributed without the permission of the school. Your child's participation in these events is valued, and parent permission is needed to include him or her in events where photography may take place.

Parents/Guardians who prefer that their child not be photographed or videotaped must notify their school by using this form. Schools make every effort to ensure the wishes of the parent/guardian. Please be aware that photographing and videotaping by a device such as a cell phone may take place without the knowledge of the teacher, principal or district staff.

Please indicate by checking the box(es) at right whether your child has your permission to participate or if you do not want your child to be photographed or videotaped at any time. You can update this form at any time by contacting your school office.

Please check all that apply:

- I give my permission to have my student interviewed and photographed/videotaped by news media.
- I give my permission to have my student photographed by the district or school. Photos may be used on school or district website or brochure.
- I give my permission to have my child videotaped by the district or school. Videos may be viewed by district staff or public.
- The district or school can provide credit to my child if his or her work is highlighted.
- I DO NOT want my child photographed or videotaped.**
